

Guidelines for University of Idaho ANNUAL Disability Permits

As of September 1, 2008, University of Idaho disability permits must be displayed in conjunction with a state-issued temporary or permanent disability permit on campus.

Annual UI Disability Permits:

- Available to UI faculty, staff or students who provide proof of identification and current registration for a disability permit
- \$74/year
- Only valid on the University of Idaho campus
- A valid state issued disability permit must also be displayed with a UI disability permit when parking on campus

Vehicles displaying a University of Idaho annual Disability permit may park in any of the following locations. These areas are prioritized as listed; prioritizing parking areas is an attempt to maintain the oversized spaces for those with special needs, such as van lifts and wheelchair users.

1. Any regular space in any colored lot
2. Designated Disability parking spaces
3. Designated "Valid Campus Walkway Permit Required" spaces on the walkway

Disability permits are **Not Valid** in any of the following locations. Parking in these areas may result in a citation and/or a fine.

1. Service / Delivery spaces
2. Reserved spaces, designated by signage
3. All other areas not designated as a parking space (fire lane, yellow curb, etc...)
4. Parking overnight in areas posted "No parking 2 a.m. to 6 a.m."

These regulations constitute a partial list only. Campus Maps and the complete parking regulations are available on our website at www.uidaho.edu/parking.
